TechNations 2019 and Student Classic Golf Fundraiser Postponed

Due to funding limitations, the Ontario First Nations Technical Services Corporation (OFNTSC) will be postponing its 2019 TechNations conference and Golf Tournament Fundraiser to a future date in 2020.

Registrants who have already paid their registration fee for TechNations will be refunded (or a full refund for the year), and we hope you will be able to attend in 2020.

Please visit www.ofntsc.org if you have any questions regarding our refund.

STUDENT SCHOLARSHIP AWARDS

OFNTSC is now accepting applications for our Student Scholarship Awards.

These awards provide monetary assistance to deserving students who are pursuing a post-secondary education in a field of science, engineering or technology.

Each year OFNTSC will fund 10 student scholarship awards valued at \$1,000 each. An annual deadline must be met to ensure the success of our Best Mentorship Program with the Robert O'Brien Memorial Award given in 2019.
